## EDUCATION

**LaunchCode**, LC101 Programming Course —2020 - 2021

**Liftoff**, Liftoff Program — 2021

## PROJECT EXPERIENCE

**“Project Planner”** — Idea Designer/Cataloger

- Web-based application designed to let users put all of their project ideas in one place.
- Users can draw ideas on a canvas, pin relevant reference photos, and keep notes handy
- Utilizes Javascript and HTML5/CSS3 to provide a clean user experience
- Built with ease-of-use in mind every step of the way

## WORK EXPERIENCE

**Merchandising Execution/Sales/Freight Associate** —  
The Home Depot, O'Fallon, IL

April 2017 - Present

- Worked within a team to execute large-scale store resets
- Oversaw multiple inventories of product
- Individually executed projects across the store
- Provided excellent customer service across every department
- Operated multiple pieces of equipment, including all lift equipment
- Assisted in opening the store daily
- Received trucks of freight for the store
- Executed various Home Depot-related odd jobs
